Denouncing oil pollution in Nigeria

Nigeria is Africa's largest economy and biggest oil producer. Despite oil exports worth billions of dollars, millions of Nigerians remain in poverty and face food insecurity. In the south, pollution and contamination by the oil industry are causing great hardship. Development and Peace – Caritas Canada's partner Health of Mother Earth Foundation (HOMEF) defends

farmers' rights and helps protect their lands. To learn more about the work of HOMEF, read our [Mini-magazine](#) and watch the video at [devp.org/lent](#).

Vocations Corner: Third Sunday of Lent – B

A Vocation View: Jesus cleaned out the temple of money changers. He was angry; He was zealous; He was authoritative. He was doing what He had to do, even though it involved risk, danger, insult and wonder. Such is a vocation.

Prayer: That all those seeking to discover their vocations in Christ will take heart in the faith that He is the Lord our God and calls them to the glorious perfection of love, we pray to the Lord.

Action : IF YOU WANT TO BE A CHANNEL - you must first be a reservoir. Do some Spiritual reading, study the Scriptures attend daily Mass. These all help fill that reservoir! There a lot of great books in our Parish Library.
