### MOTHER'S DAY PRAYER

Loving God, You wrap your arms around your people and show your everlasting love in the same way a mother loves her children. We are grateful for the love you have taught us through the mothers in our lives: our own mother who brought us into this world, the mothers of friends who have welcomed us into their homes and families, our grandmothers who took time for us, and the mothers who have helped us even though we were not their children. Bless all the mothers of this world today. May they know the fullness of love they have shared and be blessed everyday of their lives. Amen.
