### SYNOD PRAYER

We stand before You, Holy Spirit,  
as we gather together in Your name.

With You alone to guide us,  
make Yourself at home in our hearts;  
Teach us the way we must go  
and how we are to pursue it.

We are weak and sinful;  
do not let us promote disorder.  
Do not let ignorance lead us down the wrong path  
nor partiality influence our actions.

Let us find in You our unity  
so that we may journey together to eternal life  
and not stray from the way of truth  
and what is right.

All this we ask of You,  
who are at work in every place and time,  
in the communion of the Father and the Son,  
forever and ever. Amen.

**Christ the King – B A Vocation View** A Vocation View: Christ is King ... the faithful Witness. He loved us ... and made us a line of priests, prophets and kings to serve His Father. Who are we to be called forth as the priests of tomorrow - prayerful men - leaders, ready to preach the Word of God? Prayer: That Christ the King will draw all men and women to the truth of their vocations by listening to His voice in prayer and then actively following His call to the praise of His glory, we pray to the Lord. Action: If you are what you should be, then you will set the world on fire.—Saint Catherine of Siena

**Let's put People and Planets first with Development and Peace – Caritas Canada new campaign!**

**Let's stand with the oppressed in their quest for recognition**

In Honduras and Cambodia, organizations supported by Development and Peace are raising the voices of communities oppressed by a model of economic development that violates their rights. The Honduran Center for the Promotion of Community Development (CEHPRODEC) trains environmental leaders to defend natural resources, the environment and human rights. In Cambodia, Development and Partnership in Action (DPA)'s mission is, in part, to enable communities affected by extractive industries to gain advocacy skills so they can organize and defend their rights.

We can support these partners by recognizing the role we can play in an unjust global system and taking action to change it.

**Let's listen to the voices of our brothers and sisters fighting for their right to a healthy environment**

World leaders have gathered for the 26th UN Climate Change Conference of the Parties (COP26). Although these powerful decision-makers are debating the future of the planet, they are probably too far removed from the realities of its most vulnerable people. It is up to us to hear and amplify the voices of those who are defending their rights and the environment against economic ravage.

Medarda Hernandez, whose community in Honduras has been repeatedly harmed by large industrial projects, including supposedly "green" projects, says, "if other extractivist projects start in our community, we are not going to let them pass. I ask the international community to come to our aid, because we are really suffering from this situation."

What Mendara Hernandez is saying is sometimes the green economy impacts people's lives by displacing people and their livelihoods at times. Solar panels cover land that is used for gathering food and other resources that are necessary. Those living on the land should have been consulted. The action of the poor had been neglected.

So that people like Medarda do not go unheard, let's make Canadian companies operating abroad responsible for protecting human and environmental rights. Join Development and Peace's **People and Planet First** campaign to make this happen. Visit <https://devp.org/en> to learn more.

**BEAUTIFYING OUR SANCTUARY**

Over the past few years our sanctuary has become more Christ centered with the tabernacle being placed center stage beneath the Crucifix. The beautiful carving of the Last Supper has also enriched the altar and helps us to focus on Jesus the High Priest. Recently the stunning carving of, Jesus the Good Shepherd, has graced our ambo to remind us that Jesus is the fulfillment of the Word of God, for he is the promised Messiah. If you would like to donate to the continued enrichment of the sanctuary, your donation will be set aside for that very purpose. Thanks so much. - Parish Pastoral Council. **Sanctuary Improvement collected: \$500;**

**4<sup>th</sup> Degree K of C Mass, Installation of Officers & Meeting** at St. Joseph Calasanctius on Monday Nov. 22, 2021. @ 7:00pm

We are collecting cans and bottles. If you like to donate, please use the **DROP & GO AT SARCAN** with the group phrase: **joseph**

**Drop & Go Donations to date: \$410.10**

**St Joseph CWL** are asking all parishioners to sign **Pornography Hurts** Post Cards to mail to

Honourable Marco Mendicino, MP

Post cards will be handed out after all masses, the weekends of November 20<sup>th</sup> & November 27<sup>th</sup>.

All that is needed is your signature. No postage is required. **Please, let's put a stop to Pornography!!**

**FOOD DRIVE**

During Christmas school break children in food insecure homes are particularly at risk as they don't have their schools to watch over them and assist when needed. Social Justice Committee is holding a collection for Battlefords District Food & Resource Centre the weekend of **December 4<sup>th</sup> & 5<sup>th</sup>** focusing on items for the 'Children's Backpack' program. The backpacks will be assembled prior to the break so school children in 'food insecure' homes will have food to carry them through until the regular Friday backpack program resumes. Suggested items they can eat and prepare themselves: 100% fruit juice drink boxes, granola bars, instant oatmeal, noodle bowls, canned pastas, cereal, fruit cups, etc. are some ideas. Of course, any and all donations are greatly appreciated.

**THE LAUDATO SI ACTION PLATFORM**

The **Laudato Si Action Platform** will be launched on November 14th. It allows Catholic parishes, schools, families to take tangible steps so that their actions reduce their impact on God's Creation, our common home. Each group will create a 7-year plan. The platform is easy to use, allowing you to obtain a certificate later. <https://laudatosiactionplatform.org/> Interacting with Catholics from all around the globe has been a rewarding experience that will soon bear fruit. I also take this opportunity to announce that the **Green Churches Network** is the official partner of the Laudato Si Platform for Action in Canada. For 15 years now, this charity has been helping churches to care for our common home through concrete actions and a spirituality based on integral ecology.
